Stack's Bowers Galleries presents the

The April 2022 Valkenburg Auction

The inaugural MIF Paper Money Fair in Valkenburg, Netherlands has finally arrived! We are honored to have helped bring a show back to Valkenburg, working alongside other titans of our industry such as PMG and The Banknote Book. MIF Events has utilized their top-notch show organizing capabilities to elevate banknote shows to new heights, and this event will be no exception. As the main sponsor, we are thrilled to be hosting our first auction with lot viewing in Europe. After establishing ourselves as the premier auction house in Asia, Stack's Bowers Galleries is excited to expand our European operations through auctions and unprecedented customer service.

Our approach to this Valkenburg auction and future European auctions will be to curate a collector-driven sale, providing high quality items, rare discoveries, and treasures to fill gaps in the collections being built by our clientele. Extending our reach in Europe allows us to interact more closely with our European clients and provide a platform to share in our success.

At Stack's Bowers Galleries, we deliver not only record-breaking results, but also approachability and constant availability to our clients. It's no wonder that so many of our consignors have returned to us again and again, as our results and expertise speak for themselves. We pride ourselves in being the best at what we do, and, more importantly, we are committed to delivering for our clients.

The past few years have changed the way we all do business, but our ability to adapt and modernize the user experience for both the buyer and seller has propelled our leadership forward. These innovations include continued enhancement of our award-winning website and IOS and Android apps, as well as the building of Griffin Studios, our revolutionary film and event facility. The combination of our live bidding application and Griffin Studios provides the ultimate live auction experience, presenting sales in a completely new way while redefining the auction house as we know it. With offices on three continents, we are available to all clients regardless of time zone, and our dedication to those clients remains paramount in all that we do.

Enclosed in this catalog are banknotes that will appeal to a broad audience, ensuring that no matter what you collect, we can offer something to enhance your collection. We invite you to join with us in marking this moment as just the beginning of a lengthy tradition.

As always, enjoy the paper,

A handwritten signature in black ink, appearing to read 'Aris Maragoudakis', with a stylized flourish at the end.

The Next Generation of Coin Auctions and Marketing

Throughout our nearly 90-year history, Stack's Bowers Galleries has not only consistently led the industry in setting world record prices, but has also been at the forefront of innovating new and exciting ways to present and auction numismatic collections.

Now more than ever, collectors are bidding online. Embracing this trend, we have created an online experience as compelling and appealing to bidders as attending our in-person auctions. Our industry exclusive Coins In Motion technology constructs high resolution animations that accurately capture the in-hand visual appeal of numismatic treasures. Alongside this proprietary technology, we have now taken the next step to provide online content that will bring the excitement of our auctions to any home or office.

Launched in June 2021, Griffin Studios is a custom-built television, film and event facility based at our headquarters in Costa Mesa, California. Our multi-camera, fully integrated 4k broadcast ready facility will host our online auctions, as well as provide space to view collections and bid in-person. With the ability to send and receive feeds around the world, this nearly 5,000 square foot studio represents the next generation of coin auctions and will firmly cement Stack's Bowers Galleries' position as the industry leader.

Unlike standard broadcast facilities, Griffin Studios has been uniquely designed to host numismatic auctions. Alongside a main set for auctions (with dedicated space for live bidders), a central room will allow for viewing, presentations, and hospitality. A grand entrance provides guests with a stunning view of the studio and impressive control room. We aim to bring a sense of occasion and attract excitement to every event, directly increasing bidding competition and revolutionizing our auction presentation.

BERMUDA

Nearly Perfect Bermuda Tenner with Serial Number 103

30023

BERMUDA. Bermuda Government. 10 Pounds, 1964. P-22. PMG Superb Gem Uncirculated 68 EPQ. Printed in deep purple and green hues, this is the highest denomination of the Sterling era issued by the Government of Bermuda. Rising inflation in the 1950s and 1960s resulted in a need for higher denomination notes. Approximately 300,000 were printed and issued, but that number could be less, as issuance was halted around 1970 due to the inception of new decimalized notes. Superb Gem Uncirculated 68 EPQ is the finest grade known for this type to date, and there are a mere three examples at this level graded by PMG. A pretty Bradbury, Wilkinson and Company engraving, both rare and popular, highlighted by an elite grade and a small serial number. PMG Pop 3/0 Finer.

On the right end of the note are quadruple "1" counters surrounding the seal. The back proof's design is in a dark blue ink, and showcases intricate lathe work by the engraver. PMG comments "Previously Mounted" on both notes. Both notes are PMG Pop 1/No Others Graded.

COSTA RICA. Banco Nacional de Costa Rica. 2 Colones, 1938. P-195c. PMG Gem Uncirculated 66 EPQ. Although the front side of this banknote features an issuer and date, it is overprinted text on the back that indicates the true issuer of this note. Apparently, the Banco Nacional de Costa Rica was in the process of absorbing and / or withdrawing notes from private issuers, as evidenced by the black text on the back. Additionally, this note was originality printed with the text "Caja de Conversion", which indicated that this example was to be exchangeable with government issues and as such fully backed. A rare type in any grade, and extremely impressive in this Gem Uncirculated grade.

Egypt, which sank on May 20th, 1922 after a collision with S.S. Seine. The Egypt carried a valuable cargo of gold and silver, so salvage efforts were immediately underway to recover her treasure. The wreck was not located until 1930, and she lay in 400-500 feet of water, making salvage operations difficult due to the technology at the time. Roughly 98% of the contents of the strong room were recovered by 1935. This note was recovered in 1932 by the Italian salvage vessel Artiglio. Unique 1991 Gulf War TDLR Overprints

30188

IRAQ. TDLR. 10 Dinars, 1991. P-Unlisted. TDLR Overprints for Gulf War. Uncirculated. A neat piece of history which was created for the Gulf War by TDLR. The Gulf War began in 1990 when Iraq annexed Kuwait. The annexation was internationally condemned, and a coalition of 35 countries was later formed to liberate Kuwait. The liberation of Kuwait began on the 24th of February, 1991 and the country was fully liberated on the 28th of February. Coalition forces began to advance past the Kuwaiti border into Iraq, which is where the creation of these items came from. TDLR created this specimen & overprints in 1991 for the planned invasion of Iraq and the expected overthrow of Saddam Hussein (this never happened as a cease-fire was issued). We believe the specimen note to have originally been produced with Saddam's portrait by TDLR, before the invasion of Kuwait. Specimens were produced and approved for the type for eventual production, but after 1990 it was decided to cover up Saddam given the conflict, and the overprints were created to replace his portrait with a design. Two renditions of the overprints are included on paper, with printers annotations noticed on both, and one has a glue stain. The specimen note is housed in a booklet from TDLR which shows where the overprint would have been placed. The note is encased in plastic, while a cutout of the overprint has been pasted on top of the plastic. Neat, and presumably unique.

JAMAICA

Important Jamaican 5 Pounds of 1942

30200

JAMAICA. Government of Jamaica. 5 Pounds, 1942. P-42. PMG Very Fine 20. Distinguished by its burgundy wine and green hues, this is the first Government issue of this denomination. All King George V portrait 5 Pound notes are rare, with this 1942 date being the rarest. A mere three notes of this type are graded in the PMG Population Report. A pair of rusty staple holes are seen. Perhaps as few as 100,000 of these handsome notes were printed and issued, as to date, only a five digit serial number and prefix A/1 are known. Inflation in the 1950s and 1960s spurred the need for higher denomination notes, as evidenced by the larger print totals for the brown and white 5 Pounds of the 1950s. This example, however, was issued when the Pound eclipsed the dollar nearly fourfold. A classic rarity that encompassed the British Commonwealth and the Caribbean region. PMG comments "Minor Rust."

PANAMA

PMG Pop 3/None Finer 1941 Arias Issue 1 Balboa

30262

PANAMA. El Banco Central de Emision de la Republica de Panama. 1 Balboa, 1941. P-22a. PMG Gem Uncirculated 66 EPQ. Printed by HBNC. A fully original and colorful 1 Balboa that is tied with only two other examples as the finest graded by PMG. This series is among the most heavily sought after in the pantheon of paper money. The majority of the surviving Panama notes are heavily circulated, and of the 170 1 Balboa notes certified by PMG, only 8 have been graded uncirculated. Strong orange-red lathework surrounds the vignette of Vasco Núñez de Balboa, while the underprint consists of dark green ink. PMG Pop 3/None Finer.

Notes from this issue have garnered the nickname of the "Arias Issue," which takes its name from President Dr. Arnulfo Arias, whom was elected President of Panama in 1940. In 1941, Arias was ousted as President in a coup by the police, which would indirectly affect the rarity of this note being offered here today. Arias reformed the banking system as President, allowing official and private banks to issue currency, although the Banco Central Emision de la Republica de Panama was the only bank to do so. The notes were issued on October 2, 1941 and Arias was ousted on October 9, 1941, and the bank was immediately closed under the new President Dr. Ricardo Adolfo de la Guardia Arango, which meant the 1941 series of currency was in circulation for less than a week. The notes were quickly removed from circulation and destroyed which is why so few are available to collectors today.

URUGUAY. Banco De La Republica Oriental Del Uruguay. 50 Pesos, 1939. P-38b. PMG Gem Uncirculated 65 EPQ. Uruguay banknotes of the 1930s are pretty, but they are also underrated, especially in the best grades. This 50 Pesos is a Top Pop note, and the only example graded Uncirculated by PMG. Take care is to not mistake this for the virtually identical type that was overprinted and repurposed for the Banco Central del Uruguay in 1967. Notes from 1967 are from "Serie D" and feature new signatures and titles at front reading "Banco Central". This 1939 example, Serie C, is a superb rarity in Gem Uncirculated grade and a key note for the country, and for the continent of South America. PMG Pop 1/None Finer.

VIETNAM, SOUTH

Pop 5/None Finer

30341

VIETNAM, SOUTH. National Bank. 1000 Dong, ND (1955-56). P-4As. Specimen. PMG Superb Gem Uncirculated 67 EPQ. Known as the Holy Grail of South Viet Nam Banknotes, this note has increased drastically in popularity over the years for a multitude of reasons. A must have for enthusiasts, this treasure is at the top of every serious collector's list for multiple reasons; its beauty, design, scarcity and interesting history, and the degree of difficulty in obtaining an example, especially in this beautiful uncirculated state.

This note was proposed to the government after the Thomas De La Rue Company was commissioned to create a piece that represented the essence of South Viet Nam. The Old Man was printed to signify dedication and longevity, while he stared at the temple that represented the religious sentiment of the region. On the reverse a stunning woman offers an aura equal to that of the Mona Lisa. The background displays a boat on a lake with a mountainous landscape — a symbol of the beauty of the area.

TDLR produced a few test creations and ultimately the proposed design on this featured note was chosen. Sadly, while this design was approved through the Proof and Specimen stages, it was never issued, most likely due to the war. Therefore, it is only available as a Proof, or a Specimen. The differences between a Proof and a Specimen example lie only with the native woman Watermark, GIAY MAU overprint on the back, and red specimen numbers that are seen on the Specimens. We are very excited to offer this note as we seldom have the opportunity to present one in Public Auction. With only a very limited amount of pieces known, it is certain that whomever is lucky enough to own this note can say that they have a coveted piece of World Currency.

Red "357" Control Numbers.

PMG Pop 5/None Finer.

Printed by BđF, without imprint. This 1000 Dong Specimen is the Holy Grail of notes from the Republic of Viet Nam. This note was proposed to the government after the Thomas De La Rue Company was commissioned to create a piece that represented the essence of South Viet Nam. The Old Man was printed to signify dedication and longevity, while he stared at the temple that represented the religious sentiment of the region. On the reverse is a woman at right with a Junk on river at left. The border design is comprised of multiple colors offering exceptional appeal. Scarcely seen or offered in this Gem state of preservation, so expect heavy bidding presence on this lot.

Bidding in this Auction Sale constitutes acceptance by you (“Bidder”) of all the Terms of Sale stated herein. Bidders may include consignors who may bid and purchase lots in the Auction Sale consigned by the consignor or by other consignors pursuant to their consignment agreement with Stack’s Bowers (“Consignor” or “Consignors”). A Consignor that bids on their own lots in the Auction Sale may pay a different fee than the Buyer’s Premium charged to all other Buyers. Stack’s Bowers reserves the right to include in any auction sale its own material as well as material from affiliated or related companies, principals, officers or employees. Stack’s Bowers may have direct or indirect interests in any of the lots in the auction and may collect commissions. THE TWO PRECEDING SENTENCES SHALL BE DEEMED A PART OF THE DESCRIPTION OF ALL LOTS CONTAINED IN THE CATALOG. Where the Consignor has repurchased a lot and the lot is either returned to the Consignor or otherwise dealt with or disposed of in accordance with the Consignor’s direction, or pursuant to contractual agreement, Stack’s Bowers reserves the right to so note in the prices realized or to omit a price from the prices realized. Stack’s Bowers and its affiliates may bid for their own account at any auction. Stack’s Bowers and its affiliates may have information about any lot that is not known publicly, and Stack’s Bowers and its affiliates reserves the right to use such information, in a manner determined solely by them and for their benefit, without disclosing such information in the catalog, catalog description or at the auction. Bidder acknowledges and agrees that Stack’s Bowers and its affiliates are not required to pay a Buyer’s Premium, or other charges that other Bidders may be required to pay and may have access to information concerning the lots that is not otherwise available to the public. Any claimed conflict of interest or claimed competitive advantage resulting therefrom is expressly waived by all participants in the Auction Sale. Lots may carry a reserve (“Reserve”). A Reserve is a price or bid below which the Auctioneer will not sell an item or will repurchase on behalf of the Consignor or for Stack’s Bowers. Reserves may be confidential and not disclosed. The Buyer is the Bidder who makes the highest bid accepted by the Auctioneer, and includes the principal of any Bidder acting as an agent.

2. Descriptions and Grading. Bidder acknowledges that grading of most coins, currency and cryptocurrency tokens in this Auction has been determined by independent grading services, and those that are not may be graded by Stack’s Bowers. Grading of rare coins, currency and crypto tokens is subjective and, even though grading has a material effect on the value of the coins, currency and cryptocurrency tokens, grading may differ among independent grading services and among numismatists. Stack’s Bowers is not responsible for the grades assigned by independent grading services, and makes no warranty or representation regarding such grades. Bidder further acknowledges and agrees that grades assigned by Stack’s Bowers and lot descriptions are based solely upon an examination of the coins, currency and cryptocurrency tokens and are intended to identify coins, currency and cryptocurrency and note any perceived characteristics. However, coin grading and descriptions are subjective. Stack’s Bowers does not warrant the accuracy of such grading or descriptions, nor do they in any way form the basis for any bid. All photographs in this catalog are of the actual items being sold but may not be the actual size or to scale.

3. The Bidding Process. The Auctioneer shall have the right to open or accept the bidding on any lot by placing a bid on behalf of the Consignor or his or her agent; a Bidder by mail, telephone, Internet or telefax; or any other participant in the Auction Sale. Bids must be for an entire lot and each lot constitutes a separate sale. All bids must be on increment as established by the Auctioneer, or half increment (a cut bid). Non-conforming bids will be rounded down to the nearest half or full increment and this rounded bid will be the bidder’s high bid. No lot will be broken up unless otherwise permitted by the Auctioneer. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise. All material shall be sold in separate lots to the highest Bidder as determined by the Auctioneer. Auctioneer shall have the right in its sole and absolute discretion to accept or decline any bid, establish bid increments, challenge any bid or bidding increment, to reduce any mail bid received, adjudicate all bidding disputes, to exclude any bidder and to determine the prevailing bid. The Auctioneer shall have the right, but not the obligation, to rescind the acceptance of any bid and place the lot(s) for Auction Sale again. Auctioneer’s decision on all bidding disputes shall be binding and final. For the mail and Internet Bidder’s protection, no “unlimited” or “buy” bids will be accepted. When identical bids are received for a lot, preference is given to the first bid received as determined by the Auctioneer. A mail bid will take precedence over an identical floor bid; a Floor Bidder, Telephone Bidder and Live Internet Bidder must bid higher than the highest mail bid to be awarded any lot. Cut bids are only accepted on bids greater than \$500 and each bidder may only execute one cut bid

per lot. Bids will not be accepted from persons under eighteen (18) years of age without a parent’s written consent which acknowledges the Terms of Sale herein and agrees to be bound thereby on behalf of the underage Bidder. The auction sale is complete when the Auctioneer so announces by the fall of the hammer or in any other customary manner.

THIS IS NOT AN APPROVAL SALE. Bidders who physically attend the Auction sale, either personally or through an agent (“Floor Bidders”) should carefully examine all lots which they are interested in purchasing. Bidders who bid by telephone, either personally or through an agent, or through our live auction software receive a similar benefit as Floor Bidders in being able to actively participate in the live Auction Sale (“Telephone Bidders” and “Live Internet Bidders”). Except as otherwise expressly provided in these Terms of Sale, NO PURCHASED ITEMS MAY BE RETURNED FOR ANY REASON. All prospective Bidders who examine the lot(s) prior to the Auction Sale personally assume all responsibility for any damage that Bidder causes to the lot(s). Stack’s Bowers shall have sole discretion in determining the value of the damage caused, which shall be promptly paid by such Bidder.

Certain auctions or auction sessions, will be conducted exclusively over the Internet, and bids will be accepted only from pre-registered Bidders.

STACK’S BOWERS IS NOT RESPONSIBLE FOR ANY ERRORS IN BIDDING. All Bidders should make certain to bid on the correct lot and that the bid is the bid intended. Once the hammer has fallen and the Auctioneer has announced the Buyer, the Buyer is unconditionally bound to pay for the lot, even if the Buyer made a mistake. Stack’s Bowers reserves the right to withdraw any lot at any time, even after the hammer has fallen, until the Buyer has taken physical possession of the lot. No participant in the Auction Sale shall have a right to claim any damages, including consequential damages if a lot is withdrawn, even if the withdrawal occurs after the Auction Sale.

4. Bidder Registration Required. All persons seeking to bid must complete and sign a registration card either at the auction or online, or otherwise qualify to bid, as determined in the sole discretion of the Auctioneer. By submitting a bid, the Bidder acknowledges that Bidder has read the Terms and Conditions of Auction Sale, the descriptions for the lot(s) on which they have bid, and that they agree to be bound by these Terms of Sale. This agreement shall be deemed to have been made and entered in California. The Bidder acknowledges that the invoice describing a lot by number incorporates the catalog and Terms of Sale. Person appearing on the OFAC list are not eligible to bid.

5. Buyer’s Premiums. A premium of twenty percent (20%) based upon the total amount of the hammer (minimum of \$20), will be added to all purchases of individual lots, regardless of affiliation with any group or organization (the “Buyer’s Premium”). A reacquisition charge may apply to Consignors pursuant to a separate agreement, which may be higher or lower than the Buyer’s Premium.

6. Payment. Payment is due immediately upon the fall of the auctioneer’s hammer. Payment is delinquent and in default if not received in full, in good funds, within fourteen (14) calendar days of the Auction Sale (the “Default Date”), without exception, time being of the essence. Unless otherwise agreed in writing prior to the Auction Sale, all auction sales are payable strictly in U.S. Dollars or Hong Kong Dollars. All invoices will be made in United States Dollars. If paying in Hong Kong Dollars, Buyer’s invoices will be credited with the amount of U.S. Dollars at the rate established by the Auctioneer at the time of the Auction Sale. Payments may be made by credit card, Paypal, Union Pay, check, wire transfer, money order and cashier’s check. Cash transactions will be accepted in the sole discretion of Stack’s Bowers, and if accepted, for any cash transaction or series of transactions exceeding \$10,000, a Treasury Form 8300 will be filed. Contact Stack’s Bowers for wiring instructions before sending a wire. Bank wires sent from a foreign bank are subject to an international bank wire fee of \$35. We accept payment by Visa, Mastercard, American Express, Discover or Paypal for invoices up to \$2,500, with a maximum of \$10,000 in any 30 day period. All payments are subject to a clearing period. Checks drawn on U.S. banks will be subject to up to a 10 business day hold, and checks drawn on foreign banks will be subject to a 30 day hold. Stack’s Bowers reserves the right not to release lots for which good funds have not yet been received. On any past due accounts, Stack’s Bowers reserves the right, without notice, to extend credit and impose carrying charges (as described below). Buyers agree to pay reasonable attorney’s fees and cost incurred to collect past due accounts. Any invoice not paid by the Default Date will bear a five percent (5%) late fee on the invoice amount. Buyers personally and unconditionally guarantee payment in full of all amounts owed to Stack’s Bowers. Any person submitting bids on behalf of a corporation or other entity, by making such bid, agrees to be personally jointly and severally liable for the payment of the

Terms & Conditions – Showcase and Collectors Choice Auctions (cont.)

purchase price and any related charges and the performance of all Buyer obligations under these Terms of Sale and Stack's Bowers reserves the right to require a written guarantee of such payments and obligations. Bidders who have not established credit with Stack's Bowers must furnish satisfactory information and credit references and/or deposit at least twenty-five percent (25%) of their total bids for that Auction Sale session(s) or such other amount as Stack's Bowers may, in its sole and absolute discretion require before any bids from such Bidder will be accepted. Deposits submitted will be applied to purchases. Any remaining deposits will be promptly refunded, upon clearance of funds.

7. Sales Tax. Buyers will be charged all applicable sales tax unless a valid Resale Certificate has been provided to the Auctioneer prior to the auction. Should state sales tax become applicable in the delivery state prior to delivery of the property on the invoice, the Buyer agrees to pay all applicable state sales tax as required by the delivery state as of the shipping date. In the event any applicable sales tax is not paid by Buyer that should have been paid, even if not such tax was not charged or collected by Stack's Bowers by mistake, error, negligence or gross negligence, Buyer nonetheless acknowledges responsibility to pay such sales tax and remains fully liable for and agrees to promptly pay such taxes on demand, together with any interest or penalty that may be assessed by the taxing authority and agrees to indemnify and hold Auctioneer harmless from any applicable sales tax, interest or penalties due. Lots from different Auctions may not be aggregated for sales tax purposes.

8. Financial Responsibility. In the event any applicable conditions of these Terms of Sale herein are not complied with by a Buyer or if the Buyer fails to make payment in full by the Default Date, Stack's Bowers reserves the right, in its sole discretion, in addition to all other remedies which it may have at law or in equity to rescind the sale of that lot or any other lot or lots sold to the defaulting Buyer, retaining all payments made by Buyer as liquidated damages, it being recognized that actual damages may be speculative or difficult to compute, and resell a portion or all of the lots held by Stack's Bowers, in a commercially reasonable manner, which may include a public or private sale, in a quantity sufficient in the opinion of Stack's Bowers to satisfy the indebtedness, plus all accrued charges, and Stack's Bowers may charge a seller's commission that is commercially reasonable. More than one such sale may take place at the option of Stack's Bowers. If Stack's Bowers resells the lots, Buyer agrees to pay for the reasonable cost of such sale, together with any incidental costs of sale, including reasonable attorney's fees and costs, cataloging and any other reasonable charges. Notice of the sale shall be by U.S.P.S. Certified Mail, Return Receipt Requested to the address utilized on the Bid Sheet, Auction Consignment and Security Agreement or other last known address by Stack's Bowers. The proceeds shall be applied first to the satisfaction of any damages occasioned by Buyer's breach, then to any other indebtedness owed to Stack's Bowers, including without limitation, commissions, handling charges, carrying charges, the expenses of both sales, seller's fees, reasonable attorneys' fees, costs, collection agency fees and costs and any other costs or expenses incurred. Buyer shall also be liable to Stack's Bowers for any deficiency if the proceeds of such sale or sales are insufficient to cover such amounts.

Buyer grants to Stack's Bowers, its affiliates and assignees, the right to offset any sums due, or found to be due to Stack's Bowers, and to make such offset from any past, current, or future consignment, or purchases that are in the possession or control of Stack's Bowers; or from any sums due to Buyer by Stack's Bowers, its affiliates and assignees. In addition, defaulting Buyers will be deemed to have granted to Stack's Bowers, its affiliates and assignees, a security interest in: (x) the purchased lots and their proceeds, and (y) such sums or other items and their proceeds, in the possession of Stack's Bowers, its affiliates or assignees, to secure all indebtedness due to Stack's Bowers and its affiliated companies, plus all accrued expenses, carrying charges, seller's fees, attorney fees, and costs, until the indebtedness is paid in full. Buyer grants Stack's Bowers the right to file a UCC-1 financing statement for such items, and to assign such interest to any affiliated or related company or any third party deemed appropriate by Stack's Bowers. If the auction invoice is not paid for in full by the Default Date, a carrying charge of one-and-one-half percent (1-1/2%) per month may be imposed on the unpaid amount until it is paid in full. In the event this interest rate exceeds the interest permitted by law, the same shall be adjusted to the maximum rate permitted by law, and any amount paid in excess thereof shall be allocated to principal. Buyer agrees to pay all reasonable attorney's fees, court costs and other collection costs incurred by Stack's Bowers or any affiliated or related company to collect past due invoices or to interpret or enforce the terms hereof or in any action or proceeding arising out of or related to the Auction Sale. Stack's Bowers reserves the right to assign its interest to any third party. To the extent that the Buyer for any lot consists of more than one person or entity, each such person or entity is jointly and severally liable for all obligations of the Buyer, regardless of the title or capacity of such person or entity. Stack's Bowers shall have

all the rights of a secured creditor under Article 9 of the California Commercial Code and all rights of the consignor to collect amounts due from the Buyer, whether at law or equity.

9. Shipping. It is the Buyer's responsibility to contact Stack's Bowers after the sale to make shipping and packaging arrangements. Due to the fragile nature of some lots, Stack's Bowers may elect not to assume responsibility for shipping or packing, or may charge additional shipping and handling. Stack's Bowers, in its sole discretion, may not ship to select countries. Lots indicated as being "framed" or that are specifically identified in the catalog are shipped at Buyer's risk. All taxes, postage, shipping, if applicable, handling, insurance costs, the Buyer's Premium, and any other fees required by law to be charged or collected will be added to the invoice for any lots invoiced to Buyer. All lots shipped to foreign countries will be billed an additional one-half percent (1/2%) for insurance (minimum of \$10). For any lots delivered outside the country where the auction is hosted, the declaration value shall be the item(s) hammer price plus its buyer's premium. Auctioneer shall not be liable for any loss caused or resulting from seizure or destruction under quarantine or customs regulation or confiscation by order of any government or public authority. Buyer shall be responsible for paying all applicable taxes, duties and customs charges for all lots delivered outside the country where the auction is hosted. All lots will be shipped FOB Destination, freight prepaid and charged back. Title and risk of loss pass to the Buyer at the destination upon tender of delivery. Acceptance of delivery constitutes acceptance of the purchased lots. Inspection of the purchased lots is not required for acceptance. Any and all claims based upon Buyer's failure to receive a purchased lot, Buyer's receipt of a lot in damaged condition, or otherwise related to delivery, must be received in writing by Stack's Bowers no later than the earlier of thirty (30) days after payment, or the date of the Auction Sale (the "Outside Claim Date"). As Buyers may not receive notification of shipment, it is Buyer's responsibility to keep track of the Outside Claim Date and make timely notification of any such claim. The failure to make a timely claim, time being of the essence, shall constitute a waiver of any such claim. Orders paid by credit card will only be shipped to the verified address on file with the credit card merchant.

10. DISCLAIMER AND WARRANTIES. NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS MADE OR IMPLIED ON ANY LOT. NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, IS MADE WITH RESPECT TO ANY LOT EXCEPT FOR WARRANTY OF TITLE, AND IN THE CASE OF TITLE, AUCTIONEER IS SELLING ONLY THAT RIGHT OR TITLE TO THE LOT THAT THE CONSIGNOR MAY HAVE AS OF THE AUCTION SALE DATE. ALL LOTS ARE SOLD "AS IS" AND WITH ALL FAULTS. PURCHASER HEREBY ASSUMES ALL RISKS CONCERNING AND RELATED TO THE GRADING, QUALITY, DESCRIPTION, CONDITION, AND PROVENANCE OF A LOT.

a. COINS, CURRENCY AND CRYPTOCURRENCY TOKENS LISTED IN THIS CATALOG AS GRADED AND ENCAPSULATED BY PCGS, NGC, ANACS, ICG, PCGS CURRENCY, PMG, PCGS BANKNOTE GRADING, CMC OR ANY OTHER THIRD PARTY GRADING SERVICE ARE SOLD "AS-IS" EXCEPT AS EXPRESSLY SET FORTH HEREIN AND MAY NOT BE RETURNED FOR ANY REASON WHATSOEVER BY ANY BUYER. ALL THIRD PARTY GRADING SERVICE GUARANTEES, INCLUDING AUTHENTICITY, ARE THE SOLE RESPONSIBILITY OF THE THIRD PARTY GRADING SERVICE AND NOT WARRANTIES OR GUARANTEES OF THE AUCTIONEER. BUYERS SHOULD CONTACT THESE THIRD PARTY GRADING SERVICES DIRECTLY WITH RESPECT TO ANY CLAIMS OR QUESTIONS THEY MAY HAVE CONCERNING THEIR GUARANTEES AND WARRANTIES. BUYERS ACKNOWLEDGE AND AGREE THAT AUCTIONEER IS NOT BOUND BY OR LIABLE FOR ANY OPINION OR CERTIFICATION BY ANY THIRD PARTY GRADING SERVICE.

b. In the case of non-certified coins, currency and cryptocurrency tokens that have neither been examined by the Buyer prior to the Auction Sale, nor purchased by the Buyer or Buyer's agent at the Auction Sale, if it is determined in a review by Stack's Bowers that there is a material error in the catalog description of a non-certified coin, currency, or cryptocurrency token such lot may be returned, provided written notice is received by Stack's Bowers no later than seventy-two (72) hours of delivery of the lots in question, and such lots are returned and received by Stack's Bowers, in their original, sealed containers, no later than fourteen (14) calendar days after delivery, in the same condition the lot(s) were delivered to the Buyer, time being of the essence. Non-certified coins, currency and cryptocurrency tokens that have been either examined by the Buyer prior to the Auction Sale or purchased by the Buyer or Buyer's agent at the Auction Sale, will not be granted return privileges, except for authenticity.

Terms & Conditions – Showcase and Collectors Choice Auctions (cont.)

c. All non-certified coins and currency are guaranteed to be genuine.

d. All certified and non-certified cryptocurrency tokens are guaranteed to be genuine only. Auctioneer disclaims any guaranty of any kind with respect to cryptocurrency tokens, including, but not limited to: face value, the contents or existence of any accounts, wallets, or other physical, digital or other receptacles of value, the existence of a cryptographic private key, or the ability to fund any cryptocurrency. Actual cryptocurrency value is neither confirmed nor guaranteed by Auctioneer.

If an item or items are returned pursuant to the terms herein, they must be housed in their original, sealed and unopened container.

e. Late remittance or removal of any item from its original container or third party graded holder, or altering a coin constitutes just cause for revocation of all return privileges.

f. Grading or condition of rare coins, currency and cryptocurrency tokens may have a material effect on the value of the item(s) purchased, and the opinion of others (including independent grading services) may differ with the independent grading services opinion or interpretation of Stack's Bowers. Stack's Bowers shall not be bound by any prior, or subsequent opinion, determination or certification by any independent grading service.

g. Questions regarding the minting of a coin as a "proof" or as a "business strike" relate to the method of manufacture and not to authenticity.

h. All oral and written statements made by Stack's Bowers and its employees or agents (including affiliated and related companies) are statements of opinion only, and are not warranties or representations of any kind, unless stated as a specific written warranty, and no employee or agent of Stack's Bowers has authority to vary or alter these Terms and Conditions of Auction Sale. Stack's Bowers reserves the right to vary or alter the Terms of Sale, either generally or with respect to specific persons or circumstances, in its sole discretion. Any variation or alteration shall be effective only if in writing and signed by an officer of Stack's Bowers authorized to do so.

i. Stack's Bowers is acting as an auctioneer. Title to the lots purchased passes directly from the Consignor to the Buyer. Accordingly, Stack's Bowers is not making, and disclaims, any warranty of title.

j. Bidders shall have no recourse against the Consignor for any reason whatsoever.

k. Bidder acknowledges that the numismatic and cryptocurrency token market is speculative, unregulated and volatile, and that prices may rise or fall over time. Stack's Bowers does not guarantee or represent that any customer buying for investment purposes will be able to sell for a profit in the future.

l. Bidder acknowledges and agrees that neither Stack's Bowers, nor its employees, affiliates, agents, third-party providers or consignors warrant that auctions will be unimpaird, uninterrupted or error free and accordingly shall not be liable for such events.

11. Waiver and Release. Bidder, for himself, his heirs, agents, successors and assignees, generally and specifically waives and releases, and forever discharges Stack's Bowers, and its respective affiliates, parents, officers, directors, shareholders, agents, subsidiaries, employees, managers and members and each of them, and their respective successors and assignees from any and all claims, rights, demands and causes of actions and suits, of whatever kind or nature, including but not limited to claims based upon Auctioneer's negligence, whether in law or equity, tort or otherwise, whether known or unknown, suspected or unsuspected (a "Claim"), which Bidder may assert with respect to and/or arising out of, or in connection with any challenge to the title to or authenticity

of any goods purchased, the sale itself, any lot bid upon or consigned, and/or the auction, except where such Claim is otherwise expressly authorized in these Terms of Sale. It is the intention of Bidder that this waiver and release shall be effective as a bar to each and every Claim that may arise hereunder or be related to the Auction Sale, and Bidder hereby knowingly and voluntarily waives any and all rights and benefits otherwise conferred upon him by the provisions of Section 1542 of the California Civil Code, which reads in full as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY."

12. Disputes. If a dispute arises concerning ownership of a lot or concerning proceeds of any sale, Stack's Bowers reserves the right to commence a statutory inter-pleader proceeding at the expense of the Consignor and Buyer and any other applicable party, and in such event shall be entitled to its reasonable attorneys' fees and costs. Stack's Bowers reserves the right to cancel or postpone the Auction Sale or any session thereof for any reason whatsoever. No Bidder shall have any claim as a result thereof, including for incidental or consequential damages. Neither Stack's Bowers nor any affiliated or related company shall be responsible for incidental or consequential damages arising out of any failure of the Terms of Sale, the auction or the conduct thereof and in no event shall such liability exceed the purchase price, premium, or fees paid. Rights granted to Bidders under the within Terms and Conditions of Auction Sale are personal and apply only to the Bidder who initially purchases the lot(s) from Stack's Bowers. The rights may not be assigned or transferred to any other person or entity, whether by sale of the lot(s), operation of law or otherwise. Any attempt to assign or transfer any such rights shall be absolutely void and unenforceable. No third party may rely on any benefit or right conferred by these Terms and Conditions of Auction Sale.

Any dispute arising out of or related to these Terms of Sale, the Auction Sale or any lot, with the sole exception of actions by Stack's Bowers to collect amounts owed to it and other damages, shall be submitted to binding arbitration pursuant to the commercial arbitration rules of the American Arbitration Association, with any arbitration hearing to occur in Orange County, California. Absent an agreement of the parties, the arbitrator shall limit discovery to that which is necessary to enable the hearing to proceed efficiently. The arbitrator shall not have the power to award punitive or consequential damages, nor alter, amend modify any of the terms of this Agreement. The award by the arbitrator, if any, may be entered in any court having jurisdiction thereof. Each party shall pay one-half the costs of the arbitration. Bidder acknowledges and agrees that the competent courts of the State of California shall have exclusive in personam jurisdiction, subject to the requirement to arbitrate, over any dispute(s) arising hereunder, regardless of any party's current or future residence or domicile. Bidder further agrees that venue of the arbitration proceeding shall be in Orange County, California; and any court proceeding shall be in the Orange County Superior Court, in the State of California, and in each case waive any claim of Forum Non Conveniens. Bidder agrees that any arbitration or legal action with respect to this Auction Sale is barred unless commenced within one (1) year of the date of this Auction Sale. AUC-TION PARTICIPANTS EXPRESSLY WAIVE ANY RIGHT TO TRIAL BY JURY.

13. General Terms. These Terms and Conditions of Auction Sale and the auction shall be construed and enforced in accordance with, and governed by, the laws of the State of California, regardless of the location of the Auction Sale. These Terms of Sale and the information on the Stack's Bowers' website constitute the entire agreement between the parties hereto on the subject matter hereof and supersede all other agreements, understandings, warranties and representations concerning the subject matter hereof. If any section of these Terms of Auction Sale or any term or provision of any section is held to be invalid, void, or unenforceable by any court of competent jurisdiction, the remaining sections or terms and provisions of a section shall continue in full force and effect without being impaired or invalidated in any way. Stack's Bowers may at its sole and absolute discretion, make loans or advances to Consignors and/or Bidders.

14. Chinese Translation. The Chinese translations are provided as a matter of convenience. In the event of a conflict, all English Terms and Conditions and lot descriptions take precedence and are binding.

Bidding in this auction sale constitutes unconditional acceptance by the Bidder of the foregoing Terms of Sale.

Please note: Transparent holders in which the auction lots are stored are to facilitate viewing and inspection of the lots and ARE NOT for long-term storage.

PCGS and NGC numbers provided are for bidder convenience only, we do not guarantee their accuracy. An incorrect PCGS or NGC number is not grounds to return a lot.
